

ADVERTISEMENT FOR BIDDERS

Sealed Bids for the 69kV Line Re-Route Project for the Lebanon Utilities, City of Lebanon Utilities Main Office at 401 South Meridian Street, Lebanon, IN 46052 until March 26, 2019 at 3:00 pm (local time). All Bids will be publicly opened and read aloud at that time. Any Bids received later than the above time will be returned unopened.

The work shall include:

The 69kV Line Re-Route Project is due to a roadway project along Indianapolis Avenue. The proposed line route will follow an easement along the back of the property from pole 229 to Grant Street, North along Grant Street, West along Elm Street to pole 246. The new construction will consist of 14 poles and 2,000 linear feet of line.

Copies of the Drawings and Specifications for the work are on file (for viewing purposes only) at Lebanon Utilities, 401 South Meridian Street, Lebanon, Indiana 46052 and the Engineer's office, Spectrum Engineering Corp., 5524 North County Line Road East, Indiana 46706, Andrea Roth at Telephone (260)-627-8888, Email alroth@spectreumeng.com. All copies are distributed to Contractors and other interested parties by Spectrum Engineering Corp.

A Pre-Bid Conference will be held at 10:00 am (local time) on February 25, 2019 at Lebanon Utilities 401 South Meridian Street, Lebanon, Indiana 460052. Bidders are encouraged to attend the Pre-Bid Conference.
